AbitareIn S.p.A. represents innovation and a paradigm shift in the residential development sector, driven by its democratic vision of housing that combines urban regeneration, affordability and the needs of today's families.
Efficiency, industrialisation and the creation of a distinctive brand are the foundations of the continuous and sustainable growth of a business model that places people at its centre and treats the home as an "aspirational" consumer product.

AbitareIn is thus committed to renewing the city's disused building stock and reviving its urban fabric, investing in projects of great aesthetic, environmental and social value and pursuing responsible and far-sighted action, aware first and foremost of the essential nature of its new role as #stilistiurbani. In April 2016 the Company was listed on the AIM Italia market of Borsa Italiana and, since 1 March 2021, it has been listed on the Euronext Milan market (ticker: ABT.MI).
