

SOMEC: IN THE LUXURY SECTORS MESTIERI WINS NEW ORDERS WORTH 25 MILLION EURO

Somec's Chairman Oscar Marchetto has commented: *“These new orders, coming from renowned clients across the high-end hospitality, residential, and retail sectors, confirm the renewed growth trend in the luxury market and underscore Mestieri’s ability to meet its evolving needs.”*

San Vendemiano (Treviso, Italy), 29 October 2025 – Somec S.p.A. (Euronext Milan: SOM), specialising in the design, production and installation of complex turnkey civil and naval projects, has announced that its Mestieri business unit has won a number of new contracts worth a total of 25 million Euro for high-end interior design projects and iconic architectural elements in Europe, the Middle East and North America.

The projects involve a wide range of installations and prestigious brands in the luxury retail and hospitality sectors. They also cover high-end residential properties and other areas where quality materials, meticulous attention to detail, and unique, bespoke designs are key features that set them apart. The orders involve several Mestieri business unit firms – Budri, Gino Ceolin, Lamparredo, Skillmax and Mestieri itself – as part of an increasing integration and collaborative framework.

Work will be carried out in famous locations such as Miami, New York, Los Angeles, Dubai, Geneva, Paris, London, Venice, Forte dei Marmi, Lake Como and the Costa Smeralda between the last quarter of 2025 and the first half of 2026, bearing out the business unit's international focus and high-profile positioning. The economic effects will be distributed over the same period.

Oscar Marchetto, Chairman of Somec stated: *“These new orders, coming from renowned clients across the hospitality, residential, and high-end retail sectors, confirm the renewed growth trend in the luxury market and underscore Mestieri’s ability to meet its emerging needs. It is an evolving segment with significant growth prospects, where our robust model and distinctive identity will enable us to seize new opportunities. Against this backdrop, our business unit stands as the most authentic embodiment of Made-in-Italy: the ability to transform materials, expertise, and ideas into experiences that are both beautiful and functional, sought after and appreciated worldwide, to have become in just a few years an international benchmark for upscale, bespoke interiors.”*

Somec

The Somec Group is a leading specialist in the engineering, design and rollout of complex turnkey projects in the civil and naval engineering sectors, operating through three Business Units: Horizons: Engineered Systems for Naval Architecture and Building Façades; Talenta: Professional Kitchen Systems and Products; and Mestieri: Design and Production of Bespoke Interiors.

The Group's companies operate in an integrated and synergistic manner, observing strict quality and safety standards and guaranteeing a high degree of customization and specific know-how on the processing of different materials, a fundamental requirement for high value-added projects.

Boasting over 40 years of experience and a rigorous certification and accreditation process, Somec has gained a reputation for quality and operational and financial reliability on a global scale.

Headquartered in San Vendemiano, Treviso, the Group is present in 12 countries and 3 continents, employing over 1,000 people and with revenues of 383 million Euro in 2024.
