**Reway Group, the Parent Company of the Group of the same name — is Italy's largest operator specialised in rehabilitation and maintenance of road and highway infrastructures, as well as the only organisation in Italy capable of handling all the activities related to the chain of restoration of bridges, tunnels and viaducts, and to also have in its core business the maintenance of the railway network.**

- *Established in 2021 from the contribution of the shares of several major companies active in Italy in the maintenance and rehabilitation of road and highway infrastructure, Reway Group now operates through three subsidiaries:*
- ***M.G.A. S.r.l.**, which specializes in the maintenance and rehabilitation of road tunnels and viaducts, and, following the incorporation of Soteco and TLS, in the installation of safety and sound-absorbing barriers, and special works such as, for example, seismic retrofitting of viaducts, bridges and tunnels;*
- ***Gema S.p.A.**, among the leading operators active in the maintenance of infrastructure and civil works in the railway sector;*
- ***Vega Engineering S.r.l.**, a multidisciplinary engineering company that has in its core business the engineering design of road and rail infrastructures, civil and industrial works, support services to R.U.P. and management of orders.*

*The company provides services for its subsidiaries, including financial planning and strategy, procurement of goods and services, and technical accounting management. Reway Group has a workforce of 600 people and has a modern fleet with over 300 operating vehicles.*
