CY4GATE HAS BEEN AWARDED TWO CONTRACTS FOR FORENSIC INTELLIGENCE SOLUTIONS FOR EUROPEAN AND FOREIGN INSTITUTIONAL CLIENTS THE TOTAL VALUE OF THE TWO CONTRACTS IS APPROXIMATELY € 9 MILLION WITH A DURATION OF ONE YEAR

Rome, 17 February 2026 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and cyber intelligence, announces the acquisition of **two contracts** worth a total of approximately **€ 9 million** with a duration of one year.

Both contracts are related to advanced solutions in the field of **Forensic Intelligence**.

One of the two contracts, worth approximately **€ 6.3 million**, relating to the supply of cutting-edge evolutionary technology, is part of the € 15 million announced on November 13, 2025 (see [press release dated November 13, 2025](#)), for which a condition precedent has been fulfilled. This amount is in addition to the € 10 million already signed and announced on November 6, 2025 (see [press release dated November 6, 2025](#)).

The Cy4Gate Group has now gained in-depth expertise—in a context of rapid global digitalization—in the ability to manage, analyze, and correlate huge volumes of digital data to enable and facilitate the adoption of decisions relating to both corporate and institutional security. The Group's companies, each characterized by distinctive know-how in the cyber market, wish to consolidate their position as qualified and enabling technology partners in offering advanced and scalable technological solutions capable of meeting the challenging and changing needs typical of this domain, integrating cutting-edge technologies such as artificial intelligence and machine learning to automate critical processes and improve the accuracy and speed of data analysis.

The Cy4Gate Group's proposition leverages proprietary technological capabilities that have enabled the Group to build a broad portfolio of products and platforms to address the different digital needs of end users.
