Rai Way S.p.A.

Rai Way is an integrated digital infrastructure operator and service provider for media content distribution. It is the sole operator of the broadcasting and transmission networks that carry the signals RAI, Italy's public service concessionaire.

Listed since 2014 on Euronext Milan, Rai Way has a widespread presence throughout Italy with about 600 employees between its headquarters in Rome and 21 local offices, more than 2,300 telecommunications sites, a transmission network in radio links, satellite systems, a proprietary CDN, about 6,000 km of proprietary fiber optics, a network of distributed data centres and 3 control centers.

Its infrastructural assets, excellent technological and engineering know-how, and the high level of professionalism make Rai Way the ideal partner for companies seeking integrated solutions for the development of their network and for the management and the transmission of data and signals.
