

AGREEMENT WITH GENOA FOR THE DEFINITIVE DISPOSAL OF THE PLAYER PUCZKA

Turin, 2 July 2026 – Juventus Football Club S.p.A. announces that an agreement with Genoa CFC for the definitive disposal of the registration rights of the player David Puczka has been reached for a consideration of € 6 million, payable in three financial years. This transaction generates a positive economic impact equal to ca. € 5.4 million, net of auxiliary expenses of ca. € 0.6 million.

On 1 July 2026, as described in the related press release, an agreement was also reached with the same counterparty for the acquisition, on a definitive basis, of the registration rights of the player Jeff Osayuki Ekhator for a fixed consideration of € 16 million.

The aforementioned transaction results in a monetary balance to be paid by Juventus - based on the differential in fixed consideration - amounting to ca. € 10 million; these transactions - based on preliminary analysis - are found to qualify as separate and distinct transactions both contractually and substantively. Assessments regarding the accounting treatment of these transactions will be conducted for the purpose of preparing the Annual Financial Report as of 30 June 2026.
