Valle San Bartolomeo, 6 July 2026 – **STAR7 S.p.A.** ("**STAR7**" or the "**Company**", EGM: ticker STAR7), a company providing an integrated range of product information services, from product and process engineering support to the creation and management of technical and marketing content, translation, printing and virtual experience, in the context of the transaction involving the sale to Argos Fund of a shareholding representing 75% of STAR7's share capital held by the reference shareholders STAR AG and Dante S.r.l., as disclosed to the market by means of a specific press release dated 1 April 2026, announces that, today, it has completed the acquisition of the shareholdings held by certain minority shareholders of STAR Comunicação e Serviços Ltda., STAR7 Comunicação e Serviços Ltda. and STAR7 Engenharia e Consultoria Técnica Ltda. jointly, the "Brazilian Companies", companies already belonging to the STAR7 Group.

The aggregate price agreed between STAR7 and the above-mentioned minority shareholders for the purchase of the relevant shareholdings is equal to Euro 7,221,517.00.

The acquisition is fully financed through the Company's own resources.

As a result of these acquisitions, STAR7 comes to hold 99.9% of the share capital of each of the Brazilian Companies. It is expected that the selling minority shareholders will retain a golden share connected to their managerial role, which will remain unchanged within the respective companies.

STAR Comunicação e Serviços Ltda., STAR7 Comunicação e Serviços Ltda. and STAR7 Engenharia e Consultoria Técnica Ltda. operate in the product information services sector, with activities relating to technical communication, translation and language services, the production and management of technical content, publishing and graphic design services, as well as engineering and technical consulting.

Pursuant to the "Related Party Transactions Procedure", approved by the Company's Board of Directors on 7 December 2021 (the "RPT Procedure"), STAR7 and each Brazilian Company are related parties, since the latter are companies controlled by the Company. However, it should be noted that, pursuant to Article 12 of the RPT Procedure, the provisions concerning the preliminary investigation, assessment and approval of the transaction do not apply, as such provisions do not apply to transactions carried out with or between subsidiaries, where there are no interests of other related parties of the Company classified as significant, a circumstance which is to be excluded in this case.
