

PRESS RELEASE

UNIDATA IS AWARDED THROUGH A TEMPORARY JOINT VENTURE AND SIGNS THE CONTRACT FOR THE PROVISION OF ULTRA-BROADBAND INTERNET CONNECTIVITY SERVICES AT THE MUNICIPAL OFFICES LOCATED IN THE CENTRAL ITALY REGIONS AFFECTED BY THE 2016 EARTHQUAKE

**THE TOTAL VALUE OF THE CONTRACT AMOUNTS TO € 2.5 MILLION
WITHIN A 6 YEARS TERM**

Roma, 20 July 2026 – Unidata S.p.A. (UD.MI) (the “Company”), a telecommunications, cloud and IoT services operator, listed on the Euronext Milan market – STAR Segment, organised and managed by Borsa Italiana S.p.A., announces that it has been awarded through a Temporary Joint Venture and has signed the contract for the award by **Infratel Italia S.p.A.** for the **provision of ultra-broadband Internet connectivity services** at the municipal offices located in the regions affected by the 2016 earthquake (Abruzzo, Lazio, Marche and Umbria), including the supply and installation of the access network, as well as management and maintenance services.

The awardee Temporary Joint Venture, composed by Unidata (85%) and Eagleprojects S.p.A. (15%), will be involved in a significant project for the **enhancement of the Public Administration's digital infrastructure** in the regions of Central Italy affected by the 2016 earthquake.

The **total value of the contract** amounts to **€ 2.5 million in 6 years**; the activities of the project include the deployment of the access network, the provision of ultra-broadband connectivity with speeds of up to 1 Gbps, the installation of dedicated network security equipment, and the delivery of support and maintenance services. The project is funded under the National Complementary Plan to the National Recovery and Resilience Plan (PNC) for 2009 and 2016 earthquake.

Renato Brunetti, Chairman and CEO of Unidata, commented: *“Being entrusted with the development of digital infrastructure in areas that are rebuilding their future represents, for us, a responsibility even before it is a business opportunity. We are particularly pleased to have been awarded this project, which enables us to contribute to the modernization of local public administrations in the areas of Central Italy affected by the 2016 earthquake, communities to which we feel especially close, given that our headquarters are located in the Lazio region. We will leverage our extensive experience*
