

Press release

CY4GATE GROUP, FOLLOWING THE EXERCISE OF THE PUT & CALL AGREEMENTS, ACQUIRES AN ADDITIONAL 14.67% STAKE IN DIATEAM, A FRENCH CYBERSECURITY COMPANY, INCREASING ITS OWNERSHIP TO 100%

Rome, September 7, 2026 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and cyber intelligence, announces the exercise of the call option **for the acquisition of an additional 14.67% stake in DIATEAM**, a French company specialising in the design, development and implementation of advanced systems for cybersecurity testing, validation and training for government and corporate clients, for an amount of € 980 thousand. **Following the transaction, CY4GATE now holds the entire share capital of DIATEAM.**

The completion of the acquisition of 100% of DIATEAM, following the exercise of the call option under the “Put & Call Agreements” exercisable during the 2024–2026 period, represents the natural evolution of a successful partnership consolidated over the past few years, characterised by strong industrial complementarity, the full integration of expertise and the ability to generate tangible market synergies. DIATEAM’s performance and contribution have confirmed the soundness of the project and the validity of the strategic path undertaken, supporting the decision to further strengthen the investment in the company. The transaction makes it possible to consolidate the company’s technology portfolio and accelerate its international expansion, further strengthening its competitive positioning in the European cybersecurity market.

This press release is available on the Company’s website at www.cy4gate.com under the “Investors” section and on the authorised storage mechanism at www.1info.it.

About Cy4Gate Group

Founded in 2014, the company was established to address the growing demand for unconventional cybersecurity solutions. CY4Gate S.p.A., listed on the Euronext Growth Milan market in June 2020, was admitted to the STAR segment of Euronext Milan in June 2023.

CY4Gate S.p.A. was created to design, develop, and deliver technologies, products, systems, and services capable of meeting the most demanding and advanced Cyber Intelligence and Cyber Security requirements of law enforcement agencies, armed forces, government institutions, and enterprises, both in Italy and internationally.

As a unique Italian industrial initiative, CY4Gate S.p.A. operates across the entire cybersecurity spectrum, offering proprietary solutions that address both intelligence gathering and analysis, as well as cybersecurity needs. Its portfolio includes CY4GARD, Hybrid Cyber Range, and the XTN Cognitive Security Platform for cybersecurity, and QUIPO for Cyber Intelligence.
