

Press release

OVER THE PAST TWO MONTHS, THE CY4GATE GROUP HAS SECURED MAJOR CONTRACTS FOR ITALIAN INSTITUTIONAL CLIENTS IN THE FIELD OF DECISION INTELLIGENCE

THE TOTAL VALUE OF THE CONTRACTS AMOUNTS TO APPROXIMATELY € 4 MILLION WITH REVENUE ENTIRELY RECOGNIZED IN 2026

Rome, September 22, 2026 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and cyber intelligence, announced that, over the past two months, it has signed contracts **totaling** approximately **€ 4 million** with leading Italian institutional clients for the procurement of services and technologies in the field of Decision Intelligence.

The contracts provide for the **delivery of proprietary technology solutions with a high degree of innovation, developed in-house by CY4GATE** in the field of Decision Intelligence - a segment in which the Group has progressively developed specialized expertise and an increasingly comprehensive and cutting-edge technology portfolio.

The ongoing digitization of processes and the growing availability of data are transforming the way public and private organizations collect, analyze, and use information to support their decision-making. In this context, the ability to integrate different information sources, identify correlations, and translate complex data into actionable insights is becoming increasingly important. CY4GATE operates along these lines through a model based on technological innovation and continuous investment in Research and Development, aimed at strengthening its proprietary expertise and expanding the scope of its applications and target markets over time.

This press release is available on the Company's website at www.cy4gate.com under the "Investors" section and on the authorised storage mechanism at www.1info.it.

About Cy4Gate Group

Founded in 2014, the company was established to address the growing demand for unconventional cybersecurity solutions. CY4Gate S.p.A., listed on the Euronext Growth Milan market in June 2020, was admitted to the STAR segment of Euronext Milan in June 2023.

CY4Gate S.p.A. was created to design, develop, and deliver technologies, products, systems, and services capable of meeting the most demanding and advanced Cyber Intelligence and Cyber Security requirements of law enforcement agencies, armed forces, government institutions, and enterprises, both in Italy and internationally.

As a unique Italian industrial initiative, CY4Gate S.p.A. operates across the entire cybersecurity spectrum, offering proprietary solutions that address both intelligence gathering and analysis, as well as cybersecurity needs. Its portfolio includes CY4GARD, Hybrid Cyber Range, and the XTN Cognitive Security Platform for cybersecurity, and QUIPO for Cyber Intelligence.
